

## Corridor Access Officer Position Description

---

Department/Group:	Transportation/ Infrastructure & Assets Group
Reports to:	Manager Transportation
Location:	Infrastructure Office, 179 St Hill Street, Whanganui
Post Number:	EMV 793
PD Created / Modified:	February 2025

### *Whanganui District Council Vision*

To be an energised, united, and thriving district offering abundant opportunities for everyone.

### *Our Values*

- Positive and encouraging
- Collaborative brilliance
- Make great happen

### *Position Purpose*

The **Corridor Access Officer** is entrusted with the critical responsibility of managing key systems associated with operations within the road reserve. This pivotal role encompasses the oversight and coordination of all activities impacting the road reserve, ensuring the safe and efficient management of infrastructure projects, utilities maintenance, and temporary traffic management. By fostering collaboration among stakeholders, including contractors, utility companies, and council departments, the Corridor Access Officer plays an essential role in maintaining the integrity and functionality of the road network. Additionally, the role provides expert advice on roading matters related to LIM reports and building consents, contributing to informed decision-making and regulatory compliance.

### *Key Result Areas*

The position of **Corridor Access Officer** encompasses the following major functions or Key Result Areas:
