

Renewals Lead

Provide professional engineering services to achieve high levels of customer and technical service and manage renewal projects to completion.

Our Tikanga

Whanaungatanga

(fostering relationships and a sense of connection)

- We build on relationships established through shared experiences and working together.
- We get to know each other and take time to greet each other.
- We create opportunities to build relationships and share knowledge with a diverse range of people.
- We value the people around us and their unique contribution to the organisation.

Manaakitanga

(showing respect and care for others, hospitality, kindness and support)

- By showing manaaki we lift the mana (prestige) of all involved.
- We are part of the community and care about outcomes for external and internal customers.
- Our interactions with customers will respect and support their needs.

Kotahitanga

(unity, solidarity, togetherness and collective action)

- We have one shared direction and we all work together towards achieving it.
- We will stop doing anything that strays us from the agreed path to success.
- Our processes lead us to unified outcomes for our customers.
- We speak as one voice.

Atawhaitanga

(protection, stewardship, trust and a responsibility for long term outcomes)

- We deliver our responsibilities in the management and sustainability of our District in a trustworthy way.
- We collaborate and establish partnerships that enhance our role in the social, environmental, economic and cultural wellbeing of our communities.

Our expectations

As part of the Whangarei District Council we want to work as a team to deliver the best outcomes for our district. We are building our organisational culture around the principles of delivering for our customers, our organisational tikanga, working together, and focussing on outcomes rather than tasks.

That means we will:

- provide strong customer service to all our customers
- operate collaboratively as a total Council team
- deliver our services in a way that is best for the district (as opposed to best for the Council), and
- use our organisational tikanga to guide our decision making.

In short, we want you to think about what we are trying to achieve, and then work as a team to provide great services to the residents of our district.

Renewals Lead – that's your primary task at Whangarei District Council. But working with us is much more than simply completing the task – it's about how you go about doing the task, how you make a difference to the organisation, the ways you work with others, and how you deliver the best services to the district.

We're continually looking at better ways of working together here at Council. We think each of us has a key role to play in making our district a great place to live. We do that by giving superb service to our customers; we do it by working together as a group; we do it by building a culture where we can all contribute our ideas; and we do it by focusing on our outcomes.

Where appropriate, we want you to be part of cross organisational teams, to bring your solutions to the table, and to work with those teams to implement them.

What you will do

- Contract initiation/preparation and supervision/administration of professional services and physical works contracts
- Incorporation of standards into above contracts
- Review pavement design elements
- Review and approve technical documents prior to release
- Implementation of approved renewals works related to roading assets
- Estimate, manage and monitor project expenditure
- Manage contract payment administration
- Ensure that agreed and contractual customer response times are met, and customers remain informed throughout process
- Continually monitor and improve systems, methods, efficiency and the quality of services provided to customers
- Manage external resources to aid in the successful delivery of the renewals program
- Provide technical advice and oversight of the reseal program

What we all do

- Demonstrate a commitment to cultural awareness in all aspects of work and development.
- Demonstrate a commitment to Council's Diversity policy in all aspects of work and development.
- Embrace training and professional development opportunities for continuing improvement.
- Undertake Civil Defence Emergency Management responsibilities if required

Customer service

- Demonstrate a "customer first" culture within the team, department and in the wider organisation.
- Act as a Customer Advocate in the team, department and in the wider organisation.
- See customer feedback as an opportunity to improve service.
- Develop partnerships within the organisation to meet customer needs.
- Contribute to the development of customer focused policies and procedures.

Health and safety

- Accurately and promptly report all accidents, incidents and risks by the end of the working day.
- Keep yourself and others safe.
- Adhere to all Council Health & Safety policies, procedures and guidelines.

What you will bring

- Civil Engineering degree qualification or equivalent level of experience.
- A minimum of 10 years relevant civil engineering experience.
- Extensive experience in developing and managing contracts
- Construction Supervision experience
- Knowledge and experience of NZTA specifications
- High degree of pavement and sealing experience both construction and design
- High level of relationship development and customer facilitation skills
- Working knowledge of RAMM
- Strong experience in project management with demonstrated ability to apply

Project Management Principles as well as manage and complete to meet time, scope, budget and quality requirements.

- Competent in the use of various Project Management software.
- Strong writing skills to deliver effective project plans, proposals and reports.
- Ability to work effectively with others through development of strong working relationships and provision of clear well thought out advice
