What You Will Do *(provided as a guide only)*

Portfolio Coordination & Governance

- Lead and coordinate delivery activities across the Capital Portfolio Group, ensuring alignment with organisational priorities and direction from the Group Manager.
- Coordinate portfolio-level delivery support across multiple projects and programmes, ensuring alignment, consistency and integration across workstreams.
- Own and manage the portfolio governance cadence (PGG, PCG, ELT interfaces), ensuring structured, timely and decision-ready inputs.
- Prepare and review governance reports, project status reports, presentations, agendas and minutes to ensure accuracy, consistency, and quality of information.
- Act as a quality gate for governance inputs, ensuring information presented to governance forums is complete, accurate and aligned to agreed standards.
- Maintain accurate, complete, and auditable records of governance decisions, actions and approvals in line with Council systems and requirements.
- Coordinate with project managers and stakeholders to ensure timely provision of reporting and governance inputs
- Ensure portfolio governance processes are applied consistently and effectively across all projects.

Programme and Meeting Administration

- Manage governance meeting processes, including agenda development, coordination of reporting inputs, and preparation of supporting materials.
- Ensure all governance meetings and workshops are effectively organised, documented and followed up, including accurate minute taking and action tracking.
- Coordinate with project managers and stakeholders on timeframes and expectations for project status reporting and governance deliverables.
- Develop, maintain, and improve systems, records and documentation in line with best practice for project and portfolio delivery.
- Manage invoice processing and administrative tasks, ensuring accuracy, appropriate coding and timely submission for approval.
- Plan and organise meetings, workshops, and governance forums, including scheduling, logistics and stakeholder coordination.
- Maintain a high level of organisation and time management to meet competing deadlines and priorities across the portfolio.
- Ensure portfolio methodologies, governance processes, and organisational practices are consistently applied and that appropriate approvals are obtained.
- Actively support team collaboration and contribute to effective decision-making across the Capital Portfolio Group.

Working Relationships

- Establish and maintain effective working relationships with internal and external stakeholders, including project managers, business owners, ELT, and key delivery partners, to support coordinated portfolio delivery.
- Act as a central coordination point across the Capital Portfolio Group, facilitating communication, alignment, and information flow between projects, programmes and governance forums.
- Work closely with the Group Manager, PMO, finance, and digital teams to ensure alignment across governance, financials, systems and delivery priorities.
- Engage proactively with project managers to support reporting, governance requirements and portfolio processes, while holding stakeholders to account for timely and accurate inputs.

- Build strong working relationships across the organisation to support the effective operation of portfolio governance, reporting and delivery activities.
- Promote and reinforce portfolio governance processes, standards and ways of working, ensuring consistency and discipline across all projects.
- Contribute to a high-performing team environment, operating effectively in a fast-paced setting with competing priorities.
- Communicate clearly, confidently, and professionally across all levels of the organisation, including preparing and presenting information where required.
- Seek input, feedback, and expertise from others to support delivery outcomes and continuous improvement.
- Demonstrate a proactive approach to learning and development, building capability in portfolio coordination, systems and governance practices.

Professional Development

- Develop capability in portfolio coordination, governance, reporting and financial management within a capital delivery environment.
- Build knowledge across a range of capital, infrastructure, and digital projects and programmes.
- Develop proficiency in portfolio systems and tools, including PowaPlanner, TechnologyOne and reporting platforms.
- Strengthen understanding and application of project and portfolio management frameworks and governance processes.
- Contribute to the ongoing improvement and maturity of portfolio practices, systems, and processes.
- Take a proactive approach to learning and continuous improvement within a high-performing team environment.
