ABOUT KAIPARA

Kaipara te Oranganui. Two oceans, two harbours.

Kaipara district extends from coast to coast, to the Waipoua Forest in the north and Pouto Peninsula in the south. It includes iconic beaches, kauri forests, rich farmland and rugged landscapes. People come from all over to experience this special part of the world, and we are privileged to play an important part in making Kaipara the place to be.

Our team is committed to Kaipara communities. We deliver essential services including roads, water, waste services, recreational facilities, libraries and regulatory services. Council staff engage our communities to contribute to key projects and plans, and support them to achieve their own. We love what we do, and have a real passion for our people and our place.

At Kaipara District Council, we know there are some important ingredients to develop a strong and supportive culture for our people to thrive, these are our values - mahi tahi (team work), mahia te mahi (make it happen), mana (integrity), whakaute (respect), and pono (trustworthy). These values guide how we work together as a team and alongside our diverse communities.
